RE: BYO Alcohol License

As owner of Spruce Street Café, I would like to apply for a Carry In Permit. Now that we are open several evenings for early dinner, we have had requests from several customers to bring in beer and wine to enjoy with their meals.

I believe this permit would be instrumental in allowing us to build our evening business to levels which would justify our extended hours.

I would ask your prompt review of this request. I do believe that past operators at this location did, in fact, have a Carry In permit.

Thank you for your assistance in this matter.

Sharon A. Pecoraro
